MEMORANDUM FOR: Director of Central Intelligence
FROM : Deputy Director for Intelligence
SUBJECT : Methodology Center's Conference
on Political Instability

1. I have attached a short description of the experts attending the conference hosted on 9 and 10 September by the Methodology Center.

2. Each description includes the expert's affiliation, a summary of his work, the applicability of those models to certain countries or regions, and the individual's relationship to the Agency.

3. Our most successful application to date of political methods to the study of instability has been the Methodology Center's opinion polling program. Because of the sensitive nature of this classified program, it was not included in the conference.
